## Colorado College Girls Raise \$9300 by Various Devices.

By going without chicken at their Sunday dinners, by washing hair at twenty-five cents a head, by cleaning rooms and doing other tasks, the two hundred girls of the four dormitories of Colorado College have raised \$9300 toward a \$50,000 endowment fund needed to secure \$100,000 offered for a gymnasium by Mrs. A. D. Juillard of New York city. As E. P. Shove, a retired business man in Colorado Springs, has offered to give a dollar for each one they raise, the girls now have \$18,600 and declare they will do without chicken until they have raised the necessary sum.—Exchange.

## MORE SEATS AT GYMNASIUM

## Basketball Court Moved to Center of Floor to Increase Capacity.

A seating capacity of 1,600 for the Rothwell Gymnasium is the result of work done during Christmas vacation. The basketball court, which was previously located a little to one side of the gymnasium floor, has been moved to the center and bleachers have been built along each side of the court. These with the portable seats that will be placed on the indoor track give the building seating room for as many as are expected to attend the biggest games.

To make the basketball games this year more open and the playing less crowded and rough, the regulation court has been widened two feet on each side. This is the result of a decision of the conference officials that the games last year were too much like indoor football and that more open play was necessary.

A wooden track will be built on the cinder court on the west side of the gymnasium, on which the indoor track men will train. The men cannot use indoor track shoes on the track in the gymnasium and have been forced to train in tennis shoes. In competition they have used the indoor track shoes. The proposed new track will have a sixty-yard straightaway and also a circular track. Work on it will begin in the next two weeks.

## H. S. HAS GAME WITH MEXICO

## Basketball Between the Two Schools Will Be Played Saturday.

The Columbia High School basketball team will play Mexico High School in the high school gymnasium at 7:15 Saturday night. An admission fee of twenty-five cents will be charged. Mexico defeated the locals before the Christmas holidays.

The Rev. C. W. Tadlock will speak to the students at Assembly tomorrow morning.

The high school teachers meeting was held yesterday. "Educational Aims and Educational Values" was the subject of discussion.

The final examinations will begin Monday, January 20 and the second semester will start Monday, January 27.

## LOGAN HEADS JUNIOR FARMERS

## Committee Appointed to Arrange for Students' Banquet at Chicago.

James C. Logan of Princeton, Mo., was elected president of the junior farmers at a meeting in the Agricultural Building last night. Other officers elected were: Vice-president, F. L. Duley; secretary, G. C. Terhune; treasurer, H. K. Thatcher; sergeant-at-arms, H. F. Ziegler.

Three men, J. S. Matteson, H. L. Shrader, and F. L. Duley, were appointed on a committee to select four juniors whose names will be presented to the Agricultural Club of the University to arrange for the annual Agricultural Students' Banquet to be held at the International Live Stock Show in Chicago next year.

## VARSITY SCRIMMAGES WELL

## Basketball Team Getting in Shape for Game With Central Tomorrow.

The scrimmage between the Varsity and the freshmen last night was pleasing to the coach. The team work of the Varsity has improved and the men are also shooting baskets better. There will be no work tonight. The men will rest for the game with Central College tomorrow night. Brodie's ankle is improving rapidly and the chances are that he will be in the game next week.

The game with Warrensburg has been returned to the schedule and they will be played Monday night. O. F. Field says he expects a hard game.

## Public May Hear H. M. Hays.

"The Myth of Prometheus and Pandora" will be the subject of a lecture by H. M. Hays before the Philological Association at its next meeting, January 10. The meeting will be held in Room 23, Academic Hall. It will be open to the public.
